

*Thirteenth*

LETTER TO THE PEOPLE OF GERMANY AND THE WORLD

Dear people in Germany and all over the world!

We are all impatient  
and can hardly wait for the good future,  
but we are involved in *processes*  
which *take place* and lead to good.

In sick bee colonies there are hard-working worker bees that continue to be industrious  
– but cannot find their way home again and get lost in the thicket of the world.

But there are also bees that are so rooted,  
who carry the power of nature so strongly *within them*  
that they do not stray from the path  
and thus keep the people alive:  
*Guardians of the memory.*

Feeling the inner voice,  
feeling the truth  
leads back to the memory, the remembrance,  
w h o w e a r e.

The truth now comes to every place, every corner, worldwide.

*Nobility (Adel)* is derived from *noble (edel)*,  
these noble people are everywhere,  
not only among the nobility, and not every noble person is also noble, as we all know.  
With the *NEW AUREA BULLA of RELAEASE*  
we are *all* called upon  
to be noble,  
that means:  
to listen to the inner voice of truth  
and to act accordingly with all our potential,  
individually.

The *Addition to the House Laws* also frees the nobility from special laws,  
that prevented them from becoming noble again.  
Now the way is free.

I myself also first had to comprehend  
and now not only have faith,  
but also the knowledge that no one was ever alone,  
and deep and firm, with a powerful passion, I sense,  
that only now the divine wave is coming.  
As a result, I am now ready to do justice to this great task,  
this with passion and love to straighten out some things that have been ruined  
without being destructive.

They are losing more and more power, which will soon fade away completely.

The last 152 years the garden Germany proliferated/ran wild until the now. Imagine this garden,  
overgrown for so long, covered with thorns. Making this garden blossom again  
means a lot of work.

All that was missing was someone who was legitimate and who, in the spirit of the Creator, took on  
the responsibility of this task and lived up to it.  
Everything is determined/preordained, destiny finds its way.

Evil has no power here anymore.

Many people have the question of what to do with all these things  
and above all, how it goes on.

The most important thing was the actions that were taken by me.  
Now people think they are alone and abandoned again, but you have never been alone,  
for everything has a divine reference and is divinely guided and finds its providence.

Each and every individual must take his or her freedom in hand!  
Each and every individual must find his or her own Sovereignty!  
With the *NEW AUREA BULLA of RELEASE* I have, according to my task,  
I have provided the right law and thus all *are* liberated and equal.

We are entering the school of freedom.  
What must it look like, this school of freedom?  
We affect our fellow human beings through the truth we follow,  
through the sharing of knowledge and experience.  
We are free to be ourselves  
and to say *NO* where we don't want something.  
The *creative power* arises from the individual *free* being.  
Imagine  
in harmony with the General Cosmic Laws,  
for the good of society, what wonderful things we will create!

Hold on bravely, already we are preparing this miraculous/wondrous future in silence.

Heartfelt  
Your
