

*Fourteenth*  
LETTER AT THE TURN OF THE TIMES  
TO THE PEOPLE OF GERMANY AND THE WORLD

Dear people in Germany and around the world!

After thousands of years of manipulation by the enemies of humanity, the truth is now  
beginning its triumphal march.  
The truth is neither like champagne, nor like cola, it is  
pure cold clear water.  
It is everywhere, but sometimes so unspectacular and modest,  
it is in all of us,  
it is in every soulful life.

Thanks to all the truth fighters!!!

The battle for truth is much more powerful, more important and more protracted,  
than many of us had perhaps long believed!

Because the oppression of humanity was not just about wars and physical coercion,  
no: for thousands of years it was about the *sovereignty of interpretation*.

*In the absence of real sovereign rights, the enemies of humanity struggled for  
the sovereignty of interpretation.*

Whoever has *the sovereignty of interpretation moulds reality like wax into the existing laws*, he does not care about the  
laws of those who have the real sovereign rights, and of those who, in harmony with the cosmic laws of creation,  
live in their true rights  
as human beings.

Speaking the truth is currently defined as *hate speech*, and this can then be prosecuted.

With this simple trick of enforcing the sovereignty of interpretation across the board, which requires a network of  
stupid recipients of orders,  
the whole world was believed to be under control.

In 1871, the year of Earth's misfortune, not only was the true holder of the real Sovereign Rights of the *King of  
Prussia*, my ancestor *Karl Friedrich Ratzeburg*, murdered and  
proclaimed the foundation of the *German Reich* with *Wilhelm I* as *German Emperor*,  
it was also the year the UPU was founded.

Initially, it was only necessary to establish global rules as to what should be done with a letter or parcel,  
a *post-vessel* so to speak, and what to do with its contents.

At a later point in time, one could then define - sovereignty of interpretation - what a *post-vessel* is?  
Earth itself can finally also be defined as such with the content: people, ... *everything*.

Combine the usurpation of the *sovereignty of interpretation*, which was simply stolen from the *people*,  
with an *excellent counterfeiting industry*,  
the possibilities must be endless!

(A well-known and important example of this is the *Donation of Constantine*).

The indigenous peoples of the world were dealt with through forced missionary work and forced baptism, by  
creating an internal body of laws to which they then belonged through baptism.

By *declaration*, an unwanted king was simply redefined as a tyrant.  
Now the people were even obliged by the given laws to fight him.  
When was he no longer a King, no longer a Sovereign? When he lost his *dignity*.  
It was easy to manipulate here.

We have seen in recent years how much it went against the *dignity* of the people, i.e. against their *sovereignty*.

The CONCEALMENT OF TRUTH became total.  
But those who want and seek the truth will find it.  
The deception is great, but we, the soulful human beings, also receive help.  
For the truth comes from the divine.

And within us, it defies the widespread bombardment of misinformation, false information and malicious  
deception.

The truth is now coming out, also for Germany!  
The truth will inevitably reveal itself.  
The true history of Germany, humanity and Earth will be returned to us!

And I thank these people,  
who wanted to tell me the truth and paid such a high price for it!

I thank all the people who carry the truth in their hearts and  
protect it!

The real Prussian Royal Eagle wears the *crown on its head*,  
it is without the red velvet of the Vatican.  
*The imperial orb and the sceptre are purely a clear expression of the spirit of the people*,  
and not a sign of the enemies of humanity.

Truth goes to the four winds,  
whoever stands in its centre  
is sovereign.

*The soulful human beings are now also taking back the power of interpretation.*

With the *Bulla of Earth* of the third of December 2022, every single person is  
is given an *in dividua l right* to resist.

*Never again* does he or she have to bow to the collective, the gateway of the enemies of mankind by means of  
control through a collective, total sovereignty of interpretation.

He is committed only to the truth and  
to the highest divine cosmic laws,  
his conscience.

And so it only remains for me to  
wish us all a festive and merry Christmas.

Our ancestors, the heavenly armies stand behind us.

Sincerely  
Yours  
Stefan Ratzeburg
