

## CALL YOUR ANCESTORS!!!

*I, Stefan Ratzeburg,  
call upon my ancestors, my ancestral lineage from the beginning,  
who give me the strength to do  
what until now has not been  
thought, said and done.*

*Through my ancestors, I also call up the knowledge  
of all my relatives,  
so that through this gathering  
under the present circumstances  
to be able to see what is hidden and in the dark  
to sovereignly  
fulfil and complete  
the task involved with it.  
For my ancestors give me  
as the patron  
the strength,  
to protect  
the spirit of the people's soul  
as a whole.*

*And they are already calling for it,  
for otherwise they would have lived in vain.*

*That is what I was called to do  
and I am inexorably following this call.*

*I am the reason why my ancestors  
lived.*

*In this way I honour my ancestors  
and with their help I bring everything back into  
the right power and order.*

*I thank my ancestors  
from the bottom of my heart  
with the greatest love.*
