Honourable divine heroes of The People, please find here attached the documents with remedies that give a chance to establish the peace stopping the unprecedented hidden ongoing major war attack on human species.

Holy Ruta Rietuma is in Huakeland hospital in Bergen, applying to You for asylum in Norway. She has extensive crucial gifts of Godland to offer Norway and the world. Rutas of Godland suffering mirrors the path of humanity that is in urgent need of a solution, that is presented in the attached documents that provide transition to indigenous world Love Order of Godland.

Attached is even the scan of the oxa bond worth three trillion NOK to stop all ongoing hidden warfare in Norway, by claiming back Norge Bank and nationalising Telecommunication net to stop 3G 4G weapon network that is sterilising Norwegians. The oxa bond itself is being sent to HRH Kong Harald V by post.

In Gods of Love we trust,

Ditta Rietuma
